Just got it via the post (amazon.co.uk) , ordered it on thursday. Hell its a bug book! I was thinking it was gonna be really small, but for £10 its worth it, brilliant value! Future Boir? A bug book eh? Hmm... Yes indeed, Future Noir is great value and a great book, so hurrah! The log <http://www.angelfire.com/ok2/evilontheweb> <http://www.angelfire.com/ok3/bladerunner> Life is great. Without it, you'd be dead

Without it, you'd be dead heh, i thought I'd canceled the post! I was hoping that by the time most people had come online only the correct version would be available... but someone had to post a reply grr.. ;)
